

Mao & Steve Jobs

👁 4 ✓ 0 ★ 1

Chapter 1 by Christian Lindharth

There on a bookshelf, Mao was standing next to Steve Jobs. Two opposites yet similar. They shared the similarity to be owned by one guy and in spite of their personal differences, they together defined the personality of their owner. Just like the massive movie and CD collection stretching on the shelf. And the three model cars standing above that. Least characteristic yet showing the most information was the business card.
